“The only thing that you **ABSOLUTELY have to know** is the location of the **library**.”

(Albert Einstein)

These are very wise words from Professor Einstein. Let’s start there... Green Templeton’s Library is in the Walton Building on McAlpine Quad. Once you’re in Oxford, come and check it out (bad library pun intended).

The Library is open 24 hours a day, 7 days a week (pretty good right?) and not only provides an amazing collection of books but also study spaces. Oh and there’s WiFi throughout.

What more could you possibly need? What’s that? There’s a book you need that isn’t in the Library? Well pop by the office, tell us what it is and we’ll do our best to get it to you in super quick time.

We’re looking forward to meeting you!

Kirsty and Richard
