

Inclusive Tea Mixer

**Friday 11 October, 1-3pm in Lecture Theatre at Green Templeton.
New and continuing students welcome!**

All GTC students – new and continuing – are invited to drop-in for some tea and cake at this, our first inclusive mixer, organised by the GCR and College as part of our induction programme in 0th Week.

More and more students are joining Green Templeton from diverse backgrounds, and we are committed to celebrating and supporting this diversity. This Inclusive Tea is inspired by the concept of “Inclusive Practice”, a model approach for the design and delivery of student support. This recognises and anticipates the barriers that some students may face, and takes a proactive approach to highlighting sources of support early on.

We hope that the Inclusive Tea Mixer will champion a culture of inclusivity in our community by offering a welcoming space in which students can meet fellow students with shared experiences and values, and also find out about the many ways in which the college can support them. At the mixer, students can meet our college Junior Deans, peer supporters, GCR Welfare reps and other members of the welfare team in college. Also available will be our college nurse, and other professionals, including representatives from the university’s counselling and disability services.

At the mixer, everyone will be given the opportunity to ‘sign up’ to an ongoing commitment to the college’s developing Equality & Diversity activities. This includes the chance to take an Inclusive GTC badge and postcard to signify your allyship for marginalised groups.

There is no need to register for this event. Just drop in!

There is lift access to the Lecture Theatre. Please contact the Senior Tutor if you have any questions or other requirements that will enable you to attend.

Further information on Green Templeton’s Equality & Diversity work is available on our website:
